“ *I was looking for another obituary with Robison-Bahnmler and saw Norma Jean's. First I am sorry I did not hear of this earlier as I would certainly have attended her service. Norma Jean was such a special person and, as she and I know, when Jean Campbell could not take care of my daughter Liesl for a few days, she seemed to always be there to fill in. Please know Lynn, Stephen and Susan (plus your families) you are all in my thoughts and prayers as you heal through this time. One thing is most certain there will be many special memories.*

“ *Our sincere sympathy to the families of Norma Jean. She was the most wonderful lady. Know that she was loved by many and will be dearly missed.*

Besides visiting her often, we spent a week in Kauai, Hawaii with her & son Stephen and we know she had an excellent time. Happy memories to be sure.

“ *Al and I were blessed to have Norma Jean as a friend. Her greatest joy was being with her family. Our prayers are with Steve, Lynn, Susan and her grandchildren. Norma Jean left us with so many lessons full of insight, humor and compassion that we could not help but become better people having known her.*
