“ Not a day passes that you and Grandpa are not in my thoughts. I look around and my house is full of “Grandma”...I find myself talking to you often, just wish you’d speak back. I see the signs that you’re with us. I wish you could be here to of been apart of Josies life. I can’t believe I’m finally a mother, you definitely made that always look easy. I miss you more than I could ever convey. And, if I’m being honest. I still don’t know how I do it....! I sure wish you’d call home occasionally, I keep so much inside and always feel so alone. I don’t know how I’ve lived 6 years without you.!

“ Oh, Grand ma ma....! It’s going to be 3 years this year without you..! 🥹💔😞 But, it feels just like yesterday. You always said “ I don’t know how you do it”, and the truth is I don’t either. Not a day passes that you are not in my thoughts, I talk out loud to you, I scream and have a temper tantrum. I just don’t like life without you.,So much I wanna tell you, but hopefully you already know. I’m pretty sure you’re with me everyday.! I know I’m strong, but please keep reminding me how strong I am and that I can get through this. I love you.! I miss you.!

And, here it's been a little over 4 years and I still feel the same. I don't know that that hole will ever be mended. I still know you're with me. I know you'd love Josie. How ironic. I wish I would of asked more questions but I'm hoping you're guiding me along the way. Forever in my thoughts and heart.

“ Ohhhh Grandma, my heart is very heavy. I'm feeling very lost without you and Angela right now. I'm sorry I kinda fibbed. I told you I'd be ok without you. But, the truth is I truly don't know what I am going to do without you. 😞😞 I love you more than anything in life.

“ Norma was always "Ma Suiter" to me and like a 2nd mom to me. I loved her baking, especially her homemade Pecan Pie. She was a wonderful seamstress & still amazed at how she made Miranda's flower girl dress for my wedding from just a photo. I will surely miss her. Janis (Geppert) Mazzaro
