“ Pam was a family friend of ours when I was a child. She was always so funny and caring! I have so many memories of her and Ron having us over for dinner, and I will never forget her coming over in the middle of the night to watch my sister and I when our mom had labor pains and needed to go to the hospital. I feel so grateful to have known her!

“ Pam was a great friend. She was down to earth, never afraid to share her opinion on anything, and my favorite source of gardening advice. Pam will be sorely missed but not forgotten.
