“ *Pat was beautiful and lively. She was always on the move and asking me to take her for a ride in my car. She would play with my hair and always told me that I needed to get it cut. She always gave me a hug and kiss everyday and would ask why my parents would let me skip school 😊 Pat would tell me to keep my feet off the furniture and she adored my baby daughter. I am grateful to have many memories with her. I am fortunate to have been able to spend so much time with her and help her with anything she needed. Patricia is very loved and extremely missed! Always thinking of her and her family.*

“ I worked as a Life Enrichment assistant at Linden Square and got to visit on New Years Eve with Pat too when I last visited. Pat was one of the kindest, most thoughtful, and hilarious people I've ever had the pleasure of knowing. She truly went above and beyond to make anyone smile and was never not willing to help me with a game or activity and make all the residents feel welcome and included. She will be so, so missed and I am so sorry for your loss. I found this photo I took of Pat for the newsletter, she was such a joy to be around. Thinking of you all. - Danielle

“ Penny and Paula so sorry to hear of your Mom’s passing. She was a remarkable lady. Strong, smart and so funny. She was a guiding force during our teen years and taught me how to clean a kitchen floor. Hugs and Love. Lynn Anderson
