“ *Patty and I played as children. I especially remember making pretzels at her house for one of the reunions. The dough rose so high, the dough plopped onto the floor. It was picked up quick and made great pretzels.*

“ It's been such a blessing to have been able to share our life together. We watched our five beautiful daughters grow up and have families of their own. Often we would talk about how blessed we were to have so many grandkids and to be able to get everyone together for cookouts. We had many great times together and we both have lost loved ones but we had each other to lean on during our times of sadness. She will always be in my heart forever. Wait for me my love!❤️

So beautiful Randy. I'm glad Dave and Bill got to say goodbye to Patty. We all grew up together as playmates, cousins and neighbors. I am glad you are having a gathering this summer. I will be there. I am so sorry for your family's great loss. Leslie

“ I don't think I ever thanked Ma for everything she did for me. She even let me live with her, Tammy and Amy when my family had not found a new home yet so that I could continue to go to Saline High School. She helped through a lot, more than I think she even knew, in those days. It's how she became my Ma. Sweet blessed peace Ma. Know that I always have and always will love you.

“ I have many great memories of Pat. I lived on Textile Road so I rode my bike many times over to her house. Her mother was my brownie leader for quite a few years. We had sleepovers at both of our houses. We graduated together in the class of 65 so I enjoyed getting together later planning our class reunions. She will be missed by our classmates and I will personally miss her.

Thank you so much for sharing this! I didn't know my grandma was a brownie troop leader. Mom loved the reunions and being part of the committee.

I am Mary Dahl (Mayfield)
We went to school together. Patty and I were friends and played quite a bit together when we were kids. I lived on Maple Rd.
My fondest memory was when we had a class reunion, I believe it was a few years ago. Elaine, Delynne, Ray, my husband, Harry and myself were at Patty's house to make pretzels for the reunion party. The dough had risen so much it plopped onto the floor. We made the pretzels anyway. I have very fond memories of Patty. Rest in peace sweet Patty ❤️

“ *My heart hurts so much for the Anderson. family. Randy and I were co-workers when he invited me to his home to meet his beautiful wife Pat, we had so much in common and became such great friends. She was like a big sister to me and Randy was like my big brother. I will always cherish the time we spent together talking about cake decorating, gardening and the back deck conversations. I will especially treasure the moments we spent together in Missouri, because she loved me enough to take time out of her vacation to come see me. I love you Randy and I am sending you a hug of comfort and strength in the days to follow. Love you Rhonda and Dave Cremeans*

Thank you lil sis. ❤️ Now it's time for me to do what she told me to during one of our recent discussions and that is to take care of myself and our girls.
