“ *I am so very sorry to learn of the passing of Patsy. I first met Patsy at the old Saline Public Library on S. Ann Arbor St. This would have been in the 70's when I took our two children to Story Hour. She read such fun stories to the kids and loved each of them. I believe there was a picture of her hanging in the old library reading to the children. Then I ran into Patsy again when she worked at SCH. We saw each other frequently there and also in the community. We had the best time reminiscing over the hospital after it closed. Patsy was loved and respected by all of us at SCH. She will be missed greatly.*
