

## Paul "Arlan" Beebe

May 18, 1942 - March 8, 2014

Paul Arlan Beebe returned to the loving arms of his Heavenly Father on March 8, 2014 after a short, but valiant battle with cancer. He was born on May 18, 1942 to Elden Grant and Ruth Foster Beebe, in Honolulu, Hawaii. His father was in the Navy, so they lived many places including Guam, California and Arizona where they had a dairy farm after retirement. Growing up as the oldest of seven children and working the family farm he learned many skills and worked hard. Arlan went to Brigham Young University after graduating from Peoria Arizona High School in 1960. He served a two year mission for The Church of Jesus Christ of Latter-Day Saints in England. After his mission he returned to BYU to pursue the love of his life, Donna Kremer, and they married for time and all eternity in the Mesa Arizona Temple of The Church of Jesus Christ of Latter-Day Saints on December 18, 1964. Together they moved to Arizona where he earned his Bachelor's degree in Manufacturing Engineering from Arizona State University. Throughout his career he worked for Rockwell International, Wilson Sporting Goods, B-D Manufacturing, Roper, Federal Mogul, and finally Ford Motor Company. He volunteered in various leadership capacities for in his church; including Bishoprics, youth programs, Temple worker and most recently served as the technology specialist for the Southeast Michigan area. He left his children and grandchildren with a respect for hard work, a love of gardening, an appreciation of technology and a belief that they could accomplish anything they set their minds to. Arlan is survived by his wife of 49 years, Donna Kremer Beebe. His children: Brian (Christy) of

Herriman, Utah, Denise Marshall (Mark) of South Jordan, Utah, Lance (Rebecca) of Highland, Utah, and Shannon Leon (Carlos) of Saline, Michigan. “ *Arlan was such a 'behind the scenes' guy, always there to make sure everything was working when it came to Audio Visual and computers at church. I will miss his smile and his constant concern for others. Well done, Brother Beebe!!*

“ *One of my favorite memories of Arlan was when I asked him if I could marry Denise his daughter. He said, "It's about time someone took her off my payroll. When can you start?"*
