“ *Dear Marc, Todd and Jack, We send our sympathy to you on the loss of Paul. You may not remember us but we are the Cole family who belonged to Park Colony Club, one of the best times of our life. Our children are Karen, Kevin and Keith. Kevin and Keith remember Marc and Todd, I believe one of you were lifeguards. I read the obituary in the local paper and wanted you to know how sad we were. It is so challenging to lose a loved one and words cannot express feelings to another, just know we are sorry for your loss. We are all on a journey and we never know when our journey will end. From what I read about Paul he had a wonderful journey. Sincerely, Harriet and Tom and Family.*
