

Paul Alexander Schukow

July 6, 1945 - November 30, 2024

Paul Alexander Schukow, age 79 of Saline, passed away the evening of Saturday, November 30, 2024, at Select Specialty Hospital, Ann Arbor.

Paul was born July 6, 1945, in Friedberg, Germany to the late Alexander P. and Paranka M. (Charkenyez) Schukow. Paul graduated from Saline High School in 1963 and went on to earn his associate's degree in Electrical-Mechanical Engineering from Jackson Community College. He then utilized his degree as a hardware engineer for Applied Dynamics International, for about 40 years. On October 23, 1982, Paul married the love his life, Diane Marie Windey. The two of them would go on to build a life they dreamed of and did most of everything, together. Including establishing a loving home and raising three wonderful children along the way.

In his spare time, Paul was an avid Michigan (Go Blue!) and Detroit sports fan, classic car enthusiast, and crossword puzzle extraordinaire. In his younger years, Paul also enjoyed traveling internationally, exploring different cultures and destinations. Above all else, Paul was a dedicated family man, loving nothing more than spending quality time with his wife, kids, and family pets.

To cherish his memory, Paul leaves behind his wife, Diane Schukow; three children: Alex (Kristen) Schukow, Marie Schukow, and Casey (Lauren)

Schukow; and many extended family members and friends.

Paul is preceded in death by both his parents, Alexander and Paranka Schukow.

Friends may join the family for a time of visitation on Wednesday, December 4, 2024, from 10:00 A.M. until 11:00 A.M. at St. Andrew Catholic Church in Saline. A Mass of Christian Burial will then be held at 11:00 A.M. with Fr. John Linden as Celebrant. Burial will take place following the Mass at Oakwood Cemetery, Saline. “ *My condolences to Diane and family on the loss of Paul.*

I first met Paul in the late 1970's while working at PCS in Saline (later Xycom). Paul worked in the printed circuit board (PCB) design / drafting group, designing PCB layouts in the early days of CAD, and before that, by hand using red and blue tape on mylar sheets. Paul introduced me to PCB design at PCS while I was still in high school, talked with me about early home computers, and later he used his local industry connections to assist me in finding later employment.

My dad, Russell White, told me how he had played fast-pitch softball with a young kid, Paul "Schukie" Schukow, at the old Henne Field in Saline, probably in the late 1960's, Years later my dad and I switched roles, with me being the young guy, playing slow-pitch softball with an older Schukie on the PCS "Ohm Runs" softball team in the late 70's.

Paul was a good man, and over the years I truly enjoyed when I would run into him around Saline.

“ It was always a pleasure to talk "shop" with Paul, we shared a common interest in electrical construction. He was the one I looked for to break up the monotony of company parties he will be greatly missed. Diane, my prayer is that God grant you peace beyond understanding and give you comfort in knowing that you and Paul will be forever connected in love. Denae and I will keep you and your family in our prayers
