“ My heart goes out to your family. I haven't lived in Michigan for about 50 years. My memories of Peggy go through our years from elementary through high school. I smile when I remember her pink and purple striped socks that all of us couldn't believe...no one wore pink and purple together in those days. What a wonderfully independent trend-setter!

“ *My sincere condolences to the family. May all of your great memories help you through this very sad time. I worked with Peggy for many years at Comerica Bank; originally Saline Savings Bank. She trained me to be a teller. I have many fond memories of working together and sharing events in our lives from our marriages to the births of our children and through the years until retirement. She was an asset to the bank and also as a friend. She always had a smile on her face and truly enjoyed working with the public and her coworkers.*

*She will be greatly missed.*
