“ *I went to West Hempstead H.S. Graduated in 1973. A few faculty left an impression on me. Mr. Stauder was one of the few. He was always there for the kids. I posted his passing on FB on “You know you are from West Hempstead when.... site. I can’t tell you how many former students reacted . It is such a great tribute to him.*

“ *My condolences to the family of Raymond Stauder. I worked at Stauder Barch & Associates the late 70's early 80's with Dick, Paul, Becky, Gretchen and an elderly lady I can't recall her name. It was a wonderful part time job that gave me a lot of experience for my future. Because I had so much fun working there, I went back to the location on State St. Just to recall the memories. May God continue to bless the family and give them strength and peace. Ms. Jackie Davis, Ypsilanti I. MI*

“ *Dear Marie -- My deepest sympathy on the loss of your dear husband, Ray. Although I met him only the one time at your home, I found him to be a very charismatic man with a most interesting background that covered multiple careers and works of charity. As I recall, we talked for hours over a pizza. I know how much you will miss him but I also know that wonderful memories of the times you spent together will see you through this sad time. I understand your pain. But, as you grieve, remember that his work is done, his troubles are over and he is now in a much better place with his heavenly Father. The world has lost a wonderful person but heaven has gained one great soul. With deepest regrets and warmest love.*

“ My deepest sympathy is extended to Marie and the entire family. My first memory of Ray was when he served as financial consultant to Augusta Township when I was Clerk. I believe I was one of the first people he shared his interest in Marie and I am so glad they were able to share many happy memories together. I will remember his as very much the GENTLEMAN. My thoughts and prayers are with the family.
