“ I will always have such fond memories of our youth. Rene was a loving, caring and trusted friend for many, many years. Her infectious laugh is imbedded in my memory and I will miss her very much. We spent many long hours talking, listening to music and roller skating.

“ Rene was the very first person I met and my very first friend when my family moved to Detroit. For many years, we were inseparable. We remained friends after she moved first to California and then back to Detroit while I moved to North Carolina and then Virginia. Although we didn’t talk frequently, we did stay in touch. I have too many memories to share but the most important is that she was always and deeply loved her family. She will always be my “sister” and a part of my soul. Sending my love and prayers to everyone who knew her.

“ I am so sorry to hear about Rene's passing. I knew her when she lived on Emily street in Detroit. I was good friends with her sister Debbie. I used to spend the night every now and then over debs house and Rene would always join us in their back room. She would like to play jokes on Debbie and me so one day we got her back. We put her bra in the freezer. That got a few laughs. We were only 15 at the time but I remember it well. May God watch over you Rene and keep you in his arms. My thoughts and prayers go out to your family especially you, Debbie. I think about you so much. I am so sorry for you losing your sister and your friend. Love you always.
