

Richard F. Walker III

July 7, 1954 - September 8, 2022

Richard Feeney Walker III 68, of Britton, Michigan passed away suddenly on Thursday, September 8, 2022, outdoors where he loved to be. Richard was born July 7, 1954 to the late Richard Feeney Walker Jr. and Marquerite Louise (Blackburn) Walker. Richard is survived by his daughter Heather (Matt) Kingery of Livonia, MI; his absolute most precious pride and joy, his granddaughter Zoey Grace; niece Brittany (Guy) Walker-Derousse, of Clark Lake, MI, nephew Johnathan Walker, of Blissfield, MI, great-niece Mia Alexandra, along with all other family and friends he thought of as family. Preceded in death by his parents and brothers Phillip Walker and John Clifford Walker.

Richard was employed at Plastic Omnium in Adrian, MI as the Maintenance & Facilities Manager. He loved working and helping people everywhere he went. Rich loved the outdoors, whether it be as simple as mowing his lawn and maintaining his beautiful flowers; being out on his boat fishing, enjoying the sun, in the woods hunting for his prized 10pt buck, or riding on his Harley with the wind blowing through his hair. Rich's ultimate happy place was with his toes in the sand down in sunny Florida. He was very involved in AA, he breathed and lived that program every single day, whether it be with his own personal sponsor or being a sponsor to those new to the program. As we say good-bye to Rich everyone that knew and loved him will now need to find their "own guy" as he was known to everyone as the person who "had or knew a guy" for everything you could think of. Ride free up there, until we meet again.

Friends may join the family for a time of visitation on Wednesday, September 14, 2022 from 3:00 P.M. to 7:00 P.M. at the Robison-Bahnmler Funeral Home in Saline, MI. “ I was first introduced to Rich by Mark Bucholtz in Sturgis South Dakota. We were admiring each others bikes in front of the Sturgis Alano Club. Rich was a class act. He was grateful 🙏 for the Program and loved the people in it. He had a humble countenance and wished goodness for friends and society in general. He will be sorely missed.

“ Rich and his brother John were friends of mine when we were kids, living in Inkster. Rich was a year older than John and me, so we didn't hang out a lot. But occasionally we did things together. We went ice skating once at the rink in Garden City park. We also skied at Boyne Highlands. I'm not surprised that Rich would come to love motorcycles. His father and his father's brother were both members of the Iron Mustangs back in the 60s when we kids. I think Rich adored his father. Rich was always popular and very sociable. I hadn't seen him since high school but I wanted to get in touch and catch up sometime. I waited too long. So sorry to see my old friend close out the life of that wonderful family, the Walkers. I miss all four of you.

“ We went to many meetings together over the years and he was always on the lookout for newcomers. The hand would come out and he would start talking. Before the guy knew it, he had a chair, a cup of coffee and a friend. Best guy I ever saw with new people. He had a gift. He will be missed.

“ A story.. I met Rich working with him in the steel mill 27years ago. I was a youngin that just bought a new motorcycle (crotch rocket). My very first time driving it was with Rich. Rich heard of my new purchase and approached me at work to go out riding together and show me the ropes. I was reluctant to agree because he was pretty intimidating having long (gorgeous) hair, big handlebar mustache, boots and leather. But, I did and that day changed my life. 5 min into the ride, we stopped and he insisted we traded bikes. That was all it took. Rich always traded bikes with me knowing I hated mine (Rich on a little crotch rocket 🤔) I sold my jap bike and got a hog of my own soon after. Rich taught me all the riding skills and knowledge he had. We had some great years leading the pack on group rides. Rich was always in front leading the way. He wasn't just the leader when riding, he was a leader at work and someone that people looked up to because every fiber in him possessed qualities that a natural leader has. I am so grateful and blessed today for knowing him and saying yes to that 1st ride.

“ I met Rich. 4 1/2 years ago. I needed guidance in my recovery. I remembered what he shared that day, I wanted to feel the way he felt. He helped get a grasp in AA, and brought god back into my life. He handed me 4 one year tokens. He showed support to me during my darkest times. I will never forget his willingness. His family is in my prayers- love Dave -

“ Your dad was a kind & special person, one of the sweetest human beings that I know. We went to high school together along with my late husband Barry, who passed away a month ago. They used to go camping a lot back in the day & Barry would tell me some great/funny stories about all the guys & things they did. They always camped at Walter J. Hayes State Park near Wampers Lake in Irish Hills. Your dad, Barry & myself hooked up on FB & enjoyed communicating with him. He was so happy to retire & move to Florida. I'm so sorry for your loss, Heather, I was shocked when I heard he had passed away. Please know I will pray for him & for you. Take care ❤️🙏
