You are in my prayers at this time of great loss.  
Rick was always positive and kind to me as I grew up

together on the Jon-Dom's and Granada Lounge  
teams very fondly.

“ Rick was a good man. I was several years younger than Rick, but I went to school in Saline and will always remember Rick for his skill on the football field and many years later running into him at Fraser's after U of M football games. He was always friendly and would take the time to say hello and offered to help out with some excavation jobs I was undertaking.

“ Rick was a dear friend to us for a long time. He and Jim used to enjoy a sip or seven of good Scotch now and then and philosophize about life. After Jim's passing, Rick continued to drop in periodically. Most of our chats were about his children. He loved them so very much. I will miss him. Susan Keezer

“ Richard Neal Stemm is my God child. I knew Ricky when he was one day old. I used to pull him around in a little red wagon while Aunt Evelyn worked. He used to come and spend some time with my husband and kids. He was like a little brother to me. One time he had a hard time finding a Glowworm for his youngest and I found one for him and he was so happy. He kissed me all over my face. I loved Ricky very much and always will. I think it is ironic that he was born in '57 and died at the age of 57. He was a good person, a good father and a great friend. Goodbye my love. Faye Ann
