“ *I worked for and with Bob when we worked together at Sealed Power Hy Lift, here in Muskegon. We probably had the best engineering department in the entire corporation. There was nothing we couldn't do... together! It was a pleasure working with Bob. I discovered his premature death by accident while trying to look him up to send him a Christmas greeting. I've tried to keep in touch with Bob over the years. He moved a lot since he left Muskegon/Whitehall. The last time we talked was when he lived in coastal Texas. We gonna miss ya, buddy!*

*Wow, what a surprise to see Bob's obit this evening. It saddens me that he has passed. Bob and I grew up and hung out together in LP, Ann Arbor/Ypsilanti and several years after graduating. Bob was a good friend and a special individual to share many laughs and experiences together. RIP, Milt.*
