“ *To Sheryl and all the Schuylers - I am sorry for your loss - and for mine. I've known him through several stages of his life, and I know the past couple of years have been very difficult. But I learned a great deal from him about integrity, honesty, and acceptance, and I will miss him. I will especially miss his dry sense of humor that made some difficult conversations much more manageable. I am sorry I can't be there for his memorial service, but your family will be in my prayers in the days ahead.*

“ I am sorry to hear of Bob's passing. I was a classmate of his in Dexter, and remember his kindness. I also remember that he had incredibly good handwriting. The world is a better place for his being a part of it, and will miss him.
