“ *I was sad to hear about Roberta. We were good friends all through school. We attended Dold School together and Slauson and Ann Arbor High. Our parents were friends. I stayed with them when our house burned down. I wish we had stayed in touch. Esther Long*

“ Birdie was my cousin. I am so sorry I didn't know about her death. Birdie & I went on a trip to Colorado in 2010 (I think). It was great to spend time with her again after all these years. As children, we were very close, and spent time staying at each other's house during the summer. Her mother and my mother were sisters. I am so sorry to hear about this and wish I had known before her death that she was not good. My brother, Don and I had planned to contact Birdie last fall and take her out to lunch. I am sorry that never happened!! My condolences go out to Birdie's family. Sincerely, cousin Dixie Gilhouse, Willamston, MI.

“ There are many that will miss her. When I close my eyes, I can hear her laughter and see her smile. Sorry about your loss. Each of you will mourn her in your own distinct way. Take care. She loved you much. (When I go past the old farm on Wagner I always think of your mom, grandma and grandpa Fredericks. The great times my parents had with them at the Grange.) Gail Girbach

“ To family and friends, may the God of all comfort sustain you during this difficult time. Also I hope the words at Isaiah 25:8 prove to be a source of comfort too.

“ Fred, Steve, Chris & families,  
I am sorry to hear about the passing of your mom. Our moms were good friends for years, sharing many milestones & memories. They truly valued their friendship and marrying cousins always kept them connected! I remember lots of laughter when our parents got together and know they shared lots of good times. Please know that we are thinking of you this week.  
Sincerely, Kathy Girbach Harter
