

## Robin Juliana Willits

May 9, 1964 - March 24, 2024

Robin Juliana Willits was unexpectedly called home to Heaven on March 24, 2024 at the age of 59. Born May 9th, 1964 in Detroit, MI to the late Raymond Willits and Regina Willits (Creton), the youngest of seven children. She was baptized May 31, 1964 at Our Lady of Sorrows in Detroit and confirmed January 22, 1978 at St. Andrew the Apostle in Saline.

She is survived by her daughter Heather (Michael) Neuburger and her three grandchildren Johnathan, Lucas, and Amelia, who were so blessed to have grandma live with them the last three years. She is also survived by her siblings Rachelle (James) Binkley, Rosalind (Casimir) Wodarski, Stuart (Carol) Willits, Rhonda (William) Clore, and Raylene (James) Kohler. She is also survived by many nieces and nephews, great nieces and nephews, and great great nephews and niece. She was preceded in death by her parents and her brother Steven Willits.

She was a graduate of Saline High School and an employee of McNaughton and Gunn in Saline for 28 years where she held a number of roles and forged many lifelong friendships.

Robin was a jokester! She opened her heart to everyone and would lift your spirits with a ready smile and probably a joke. Making you laugh always made her happy. She was a loyal friend to everyone. She was artistic and enjoyed

decorating the office and bringing joy to her coworkers. If you were happy, she was happy. She spearheaded many fundraisers and then supported that effort with her culinary delights. Bake sales were her specialty! If you were lucky enough to have had them, her soups, raisin bread, and cheesecakes were second to none. She had a sweet tooth for sure and her grandkids knew where her stash was! Nothing was too good for the lights of her life! She loved word games on her phone and board games, particularly Scrabble. She was well-read and had her dictionary at the ready during games. Everything was ready in late spring for camping trips. She loved to keep activities rolling to the late-night hours when the most mischievous Robin entertained us around the campfire. Her best camping buddy was her grandson Johnathan, they were two peas in a pod. In her teen years she was a great bowler and loved the competition. She would also bellow out, at the top of her lungs- Air Supply. She wrote all the words to GREASE on the album cover and then proudly displayed them in her room. In recent years, the family fun person, she loved watching kid shows with her grandkids. She was always a fun grandma with a comforting lap to sit on. There was no end to the pride she had for Heather, Mike and her grandkids. She went to nieces' plays, nephews ball games, soccer games, and concerts and was always supporting the family. As with everyone, she had her challenges in life, and she was able to overcome many of them.

She loved God with all her heart and soul and always put her trust in Him. Though we may not understand the untimeliness of her passing, we rejoice for her eternal salvation and her blessed reunion with her father, mother, and brother and look forward one day to our own reunion with her in Heaven.

“ *Robin will be missed by everyone who knew her. She was always fun, always joking, always caring, always a beautiful woman inside and out. We went to Saugatuck to celebrate her sobriety a few years back. We had a great time shopping, getting ice cream (twice) and Antiquing. Carey and I couldn't decide who snored louder Robin or Ros! Robin will forever have a special place in my heart. Heaven is even sweeter now that she's there*
