“ *We were so saddened to hear of Roger's passing and I find it still hard to believe. We were very fond of him, and he shared my husband's birthday. The last time I spoke with him was right after his birthday and I wished him well. I would frequently walk my dogs by his house and he would greet me.*

It was always a pleasure chatting with Roger about his cars, his hobbies, his travels, but especially about his sons and their families. He was always happy to share the news of his grandchildren as they kept arriving and you could tell made him feel like a very lucky man. He was always so proud of them.

He was a great neighbor, and would frequently give Ray rides in to work when needed.

They don't make many like Roger so we lost a good one. Please accept our condolences and thoughts and prayers for your family.

Rest in peace Roger. -- Sue and Ray Kelch

“ I knew Roger in school at Purdue and saw him at recent fraternity reunions. The latest being in Memphis last year. Roger was always kind and helpful and not ever mean. We had fun trying oxtail stew at a small restaurant in Memphis.

“ *Roger was a good friend and fellow member and officer of Camp Newton in the UP for many years. He was a devoted father and it was very evident he loved his three sons. Roger was a steady member of Tri-County Sportsman's League and the shooting sport of trap and helping at the trap range. Roger was meticulous in his care of his guns and sporting equipment. He loved cars and cherished his Porsche automobile. The camp and club will not be the same without him. He will be greatly missed. God speed, Roger, R.I.P. John M. Barr, Camp Newton friend.*

Roger was a good man, I know him from his dedicated and helpful spirit at Camp Newton Club. He carried himself with an easy demeanor and had many layers of skills. He was a family man, you could see his pride love and caring for his family. Roger was a superb natural shootist, especially shotgun skills in trap and all manner of shooting . He was a true craftsman in the art and techniques of woodsmans firearms, he could quickly inspect, repair and assess. He had a jack of all trades skill set that was showcased with his good old common sense. Very organized and methodical. Roger worked with a mutual friend at U of M who noted that he was well respected there. A great team player, ready to help others, good common sense, a good heart, a true conservationist, I will miss him and our lodge at Camp Newton greives as well as celebrates the gift of knowing this good man and friend. God bless you Roger condolences to your family. Rest in Peace. /s/ Rollin J Bellfi, Captain (retired), Camp Newton friend.

“ My former U-M Health System co-worker Roger Sacks was a great colleague! Roger was smart, had a sharp wit about him, and was fun to be around. Roger loved the outdoors and his car, but his eyes lit up like nothing else when he talked about his sons. He was so proud of them! Roger left us way too soon! RIP Roger Sacks.

“ *The Saline High School Trapshooting Team have many fond memories of Roger, but one of my favorites is that when picking an adult to partner (shoot) with, the kids wanted Roger. When Roger would hit a straight, I would announce, "the sharp-shooter is in the house"!!!*

“ Roger was always such a pleasant person to talk with. He remained in touch with other family members and usually came for funerals including that of my father. That was a long drive to come to LaPorte, Indiana, but he did and the family appreciated that. My sincere condolences to sisters, Karen and Doris, and to his three children.
