“ *The words describing Rose brought back a flood of memories of who Rose was in my mind. She was a student in my 9th grade Algebra class and I clearly remember her smile, so beautiful that it went into her eyes and made you feel listened to. So honored to have been a small part of her life and saddened to hear of her passing. I pray that peace will be yours as you rejoice in who she was and how much good she did in her brief time. God bless you.*

“ I am so grateful to have lived next door to Rose and her family for 6 years. The friendship my sister and I created with Rose and her sisters was so special, and I am forever grateful for the countless hours we spent together playing outside- they were truly the best part of my childhood. I'll always remember Rose's kind and adventurous spirit.  
I am incredibly thankful to have reconnected with Rose this past year to learn about her work as a nurse and plans for school. Rest In Peace, Rose. We love you so much.

“ *Rose was one of my neighbors and a good friend during childhood. She had an adventurous spirit and an incredibly kind soul. Rose was one of my first friends and showed me so much love. She was always up for a game of kickball, playing house, and creating bridges over a stream in the woods behind our houses. Although most of our interactions took place many years ago, she heavily impacted who I am today and I will forever be grateful for her friendship. Rest In Peace, Rose. So much love to the Morris family during this time.*

“ I had the wonderful honor of knowing Rose throughout high school. What a truly amazing person, classmate, and, most importantly, friend - Rose was brilliant and empathetic, and the type of person that was simply a joy to be around. Her kind soul and radiant smile will never be forgotten. My deepest sympathies are with Rose’s family during this time.

“ We did not know Rose well. But our daughter, Bridget DeFelice, went to school with her at Pitt and spoke of her many many times. They spent almost every day together in class. We remember how impressed she was with Rose going to Mayo. This is so heart breaking for the family and we can only express our sympathy. Our thoughts are with you in this very difficult time.
