“ *Our sweet "Rosie", my "Roomie" so many years ago in our Nursing education days.*

*She was such a wonderful and caring member of our class. I don't believe we ever saw her in a sad or "down" mood. Rosie was always ready to listen to one's problem with sincere care. The first thing everyone mentioned about her was her joyful laughter & giggles.*

*God now has a special joyful angel to cheer heaven!*

*Our sincere Sympathy to Ron and her family. She was so proud of each one of you.*
