“ My thoughts and condolences are with you an you family at this time. Having just experienced the death of my mother in March I can relate to the grief as well as the need to complete the funeral/burial process. Blessings and prayers as I keep you in my thoughts. Carolyn Clark Cruz

My deepest sympathy to your family. I remember Roy as a second father as Vicki and I were inseparable when we were young. I can still see him at the table in the Clarendon House when I would wangle an invitation to dinner. He was always welcoming and kind to me. He will be missed, but his memory will live on. Blessings to you all.

Love, Margie
