“ Sandy was always another “Mom.” I remember spending time with the family up north one summer. Laura and I used to ride bikes and spend time together. I would visit Sandy when she moved to Lewis Street. Her laugh would always make me smile. I will think of her whenever I look across the parking lot at St Paul.

Laura, Mike and family, my sincerest condolences on the loss of this vibrant star of a soul. You will be in my thoughts and prayers. With much love, Robin (Hainstock) West

“ To my adorable momma. It has been such an honor to have you live with us for the past 18 months...the laughter, the giggles, the silliness. You made such an impact on every single person you met along your life's journey. Memories of such special and sacred moments with you continue to flood my mind. I know you are having such a grand celebration in heaven with daddy, P, Joyce, Coco, and numerous family and friends. Many see you in me and I take that as an honor. I will forever have you in my heart and continue to lead my life with happiness and kindness, just like you would have. I miss you mom and I love you so very very much.

Sandy was such a smiley happy person. She really cherished her family and all the fun she had with Bob and Laura in the year and a half she lived there with them.

I knew Sandy for many years. All her interests were touched with great enthusiasm and joy. She is now resting in the warmth of the hands of God.
