In lieu of flowers, memorial contributions may be made to the Leukemia and Lymphoma Society and envelopes will be available at the church.

Scott Klapper was a selfless man who touched countless lives in his brief 66 years. Born January 12, 1951, Scott was called home on Wednesday, December 6, 2017, by our Heavenly Father after a four year brave battle with Leukemia. In 1976 he married the love of his life Peggy Weissert and over the next 41 years built a beautiful life together. Scott was extremely proud of his work, devoting over 40 years to the trades. He worked 25 years as a Plumber Pipefitter for Local 190 then he spent the next 14 years as the Training Coordinator leading the Apprenticeship Program. Scott rounded out his career as the ITP administrator at Washtenaw Community College. In 2015, he was awarded the "Martin P. Dirkin in Lifetime Achievement Award." Scott was a perfect combination of strength, kindness, and faithfulness. His legacy lives on in those who love him. Scott is survived by his loving wife Peggy Klapper; his three very proud children; Kristi (Dan) Cundiff, Jeff (Jennifer) Klapper, and Kim (Craig) Voyer; seven adored grandchildren; Colton 13, Peyton 10, Noah 9, Mackenzie 7, Luke 4, Riley 3, and Brooks 2. Also survived by his sister Susan (Kevin) Ladd. He is preceded in death by his parents William and Thelma Klapper. “ *Peggy & Family:  
I am very sorry to hear of Scott's passing. Wanted to share that I am forever thankful to Scott for the help he provided me for many years while I was in the position of Director of the UA Great Lakes Training Center. Countless UA Instructors benefited from Scott's knowledge and skills he selflessly shared. RIP Brother Scott.*

“ Klappers-

*Mr. Klapper (as he always will be to me) was the ultimate family man. The converted garage he made, (for "us"), that would become our high school hang out holds so many special memories of great times with your family. He always seemed so happy that we were there and having fun. At least I'd like to think so! Jeff, I remember the homemade moonshine he brought out at you and Jenn's wedding! Some taste buds are still gone from it. I also remember his speech that day, how much love and admiration he held for you both, and how touched he was that you made him your best man. He got a little choked up, but he may have said something was just in his eye. He loved you all so much, and you loved him right back. Remembering him and thinking of you all this weekend.*

“ Peg, Kristi, Jeff & Kimmy - you will all be in my prayers - the world has lost a truly good man. I have many good memories of Scott: working at the farm with him in 7th grade, the first touchdown pass I threw was to him - I will miss seeing him at all the get togethers - it is a sorrowful thing.

“ Hello, I met Scott up at Ann Arbor when he was attending the 5 year course.. I think this was in 1992... He has been a very good friend all these years... When he was coordinator he gave me a 190 golf shirt and said do not wear it that year or he would catch grief for giving it to me... However I did not wear it that year but every year after I did wear it and made sure he saw me in it... He was a good man and will be missed...

“ Dear Peggy and family,  
I carry with me so many great memories and fun times of Scott and David trying to see who could eat the most ice cream at the Christmas Parties! I think Scott won every year! I'm sure David ate more pizza and subs.  
I think of the numerous Local 190 trips and events and how wonderful it was to be a part of your family and share our joys, heartaches and our God.
