“ *Sharon was a wonderful lady and it was a pleasure to see and speak with at every opportunity. I will be thinking of her and Art and missing them at the annual Meechigan Football Party at German Park tonight, where we always sat together. They were two lovely people who will be missed by many friends.*

*Sharon and her husband Art were both wonderful people whom I had the pleasure of their company in Ann Arbor Sail and Power Squadron for many years. It was a pleasure to see Sharon plan many potlucks and Art serve as a longtime commander and chaplain and share his wisdom with the squadron. They both shared their love of boating, cars, and love of country.*
