“ Shawn, your veracity for life was always inspiring. I remember the first time we worked together. You told me it was my lucky day because I got to work with you! HAHHAHA! Paul and Sue said it best to say the ripple effect of your loss will be felt for years. You have been a great friend, a great brother. I am proud that we are masons, and participated in many masonic events together. Both of us were able to help each other through some tough life experiences we've both had, as well as some happy events. I am thankful we were able to talk about these things. I commend your courage. You knew where you are going, and you know that now you win. God bless you brother.

“ Donna and family, I am so sorry to hear of Shawn’s passing. What a nice young man he was. Remembering times we would see him at sandy shores. I’ll be unable to attend services for him as I just had a right knee replacement but I will be thinking of all of you. May you find comfort in all the memories you share of him. .❤️ Pat Vitale .
