“ I worked next door at Reinhart in the same building as Shawn. I was the liaison between the tenants in the building and the property manager. I enjoyed talking to him often and I was so proud to share with him that my grandson enlisted in the Air Force. So sorry for your loss.

“ Shawn was a AMAZING friend for the short time I got to know him. He always had a smile on his face and kind words to say. Shawn was a fighter and he didn't lose the fight to cancer but won victoriously in Jesus. Shawn would always say that I might be slowing down but I'm not out. We got to say our goodbyes and Shawn bestowed some fatherly wisdom to me that I will always carry in my heart. I loved him like a brother and greatly appreciate the time I had with him.

Slow salute to a Brother who served his country, loved his family, and dedicated his life to the Lord.
