I was so shocked and extremely saddened to hear of Sheri's passing. Several years have now passed, since the many holidays and family get-togethers I was blessed to spend with all of you. When I was able to witness the very fun and close knit bond that all of you share together as a family. In those times, Sheri always expressed a gentle kindness and love that made me feel so welcomed. I can't even fathom what each one of you are going through right now, but my heart is so sad and aches along with you. Know that each one of you and your families are in my thoughts and prayers during this unimaginable and difficult time. ❤️

“ My heart is breaking for you all. I know what a special person Sheri was, because I was the beneficiary of her kindness and friendship. I am flooded with happy memories including swimming in her family's pool, visiting the pharmacy after school with her, numerous band camps and competitions, surviving high school drama, and her love of shoes! Until we meet again! Prayers for her family to be able to find some peace with this.
