Stanley J. Sekerka, 100, of Saline, died Friday, June 19, 2020, at home in Saline, where he has lived for more than 50 years with his loving family, after a well-lived life as husband, father, uncle, friend, educator, benefactor, musician and mentor. He was born in Toledo, Ohio on December 14, 1919 to Frances (Benedict) and George Sekerka from Czechoslovakia (now the Czech Republic) and always joked that he was a "double Czech" (didn't speak English until kindergarten). Stan married Doris (Teufel) Sekerka on June 30, 1951 in Toledo.

After getting his undergraduate degree in education from the University of Toledo, Stan earned his master's in education from the University of Indiana at

Bloomington and completed graduate work at the University of Michigan. He was initially a 5th grade elementary teacher but later became a curriculum coordinator and elementary school principal including 10 years at Saline's Jensen Elementary School.

Stan loved education and was always reading. He took pride in being well informed on a variety of issues and was a generous philanthropist to many causes, most supporting social justice and being good stewards of the planet. He was devoted to his family and, with an amazing work ethic, ensured all of his children had the opportunity to go to college. Stan's other great love was music. Although he gave up playing while raising his family, he renewed his musical career in his 70s and, once again, picked up the violin (although he also played piano and trumpet in his early life in his father's Bohemian polka band and with the 148th Infantry Band in Toledo before World War II). He joined a number of local bands, playing at church services and nursing homes for nearly two decades. He also became a member of several orchestras including the Dexter Community Orchestra and Tecumseh Pops Orchestra as well as the VA National Medical Musical Group which performed in Europe, Hawaii and at Washington's Kennedy Center.

Stan (and Doris) were active members of the First United Methodist Church of Saline and assisted greatly with fund-raising and building the new facility north of Saline. In addition, Stan served for many years on the Saline Library Board and delivered Meals-on-Wheels until he stopped driving at 95.

Stanley is survived by his wife of nearly 69 years, Doris, and children Susan (John), Scott (Clarissa) and Bradley who has been his dedicated and primary caregiver for the last nearly 2 years, allowing Stan to live his final days at home.

Cremation has taken place. A gathering of family and friends will be held on Saturday, August 8, 2020 between the hours of 9:30 A.M. to 11:30 A.M. at the Robison-Bahnmilller Funeral Home in Saline. Please adhere to the social distancing guidelines and masks will be required. Following the visitation, a graveside service will be held in the Oakwood Cemetery in Saline at 12:00

Noon. Pastor Tom Zimmerman will officiate the service. “ *Stan and Doris were a few of the people who drew me to the SUMC many years ago when we were new to town. They both still remain very close to my thoughts even these many years later. Stan was always happy and funny and, in turn, made me happy just to chat, even for a minute or two. A life well lived. My heart is with Doris during this time.*

“ *I had the pleasure of being Stan's stand partner in the Dexter Community Orchestra for several years. He was a talented player and helped me through many difficult pieces. He was always quick with a joke and really loved playing the violin. I really enjoyed knowing Stan and having him as my colleague in the orchestra. My condolences to his family.*

“ Stan came to me for violin lessons after he'd been working on his own for awhile. His determination was already evident in that he had bought, and was working on, the nastiest exercise books I know of. He continued with that same determination! He played in my summer groups, the orchestra at my church (First Presbyterian, Ann Arbor), and in several other groups. I was also a member of the viola section in the Dexter Community Orchestra while he was there as a hard-working violinist! He was an example to all of us.

“ Stan was a valuable member of the second violin section in the Dexter Community Orchestra while I was seated principal second violinist. I miss his fearless playing, his sense of humor, and his kind heart. Please accept my deepest condolences. -Regan Knapp
