“ *Stephen Irey*

“ *Steve, I know we only knew each other for a short while, but I have this one memory of you that always has stuck in my mind. You took home when I needed a ride even if it was a couple houses from your house it meant a lot to me. You were only a few houses down from me and I wish I took the time to get to know you more. I know that you were kind as well as your family. It was an honor to have know you.*

kaitlin - August 29, 2013 at 09:42 PM

“ *Steve you were always a great athlete, solid ball player and all-around good guy. You were older and bigger than me and could have ignored me or been unpleasant when we were on the same sports teams together, but you never were. I always remember you showing up on time, working hard and doing it with a smile. Come to think about it, I only have positive memories of you. You were a very good guy, and I absolutely mean that.*

So sorry for the Irey family's loss. Hope you can find a way to keep your heads up.

“ Steve, you we're always a friend to me, well.. a best friend. I remember playing baseball together and you were the only one for years to crank the ball out of the park! I was always jealous of that but that never mattered anyways, it was all about building teamwork and a friendship all around. I feel like it was yesterday when you slept at my dorm room on a big bean bag and going to many different trips together... Muskegon, Mexico, just a night out at your parents house or at my house. You were like a big brother to me, better yet, a body guard friend. You will be missed brother....I'll always keep you in my heart, I know you're in a place where I'd like to be at the end of my time, HEAVEN...I Love and will miss you...
Rest In Peace

“ One of my favorite memories was riding bikes and playing flag football at your old house on east look when we were in elementary school. Your brown retriever would always chase us in the yard. I will also miss the familiar face and kind smile at the gym. I hope you are in peace .
