He really enjoyed golfing, weight lifting, tennis, his German Shepherds, and one crazy cat. He was also a Life Member of the NRA, an NRA training counselor, a lifelong conservative, and a member of Washtenaw 100. He will be missed.

Survivors also include his sisters Mary (Jeff) Bush, Linda Russell (Gary Taylor), aunts and uncles Barbara and Frank Mayfield, Bob and Nancy Cole, and all of his many cousins. He is also survived by his in-laws Linda Wade,

“ *I worked with Steve for several years at Federal Mogul. I always found him a very easy and cooperative person to work with. The lab was a small group of people, so we all knew each other very well.*

“ *We will always remember Steve and his "Batmobile" fondly. He was a neighbor and friend who would take us to and from school before we could drive. He even took Bobby, Ron and I to a drive-in movie theater once!*

“ *Jan, Mary, Linda, and the entire family-*

Steve and Jan have been a very large part of our lives for 40 years, in so many different aspects, that it is difficult to know where to even start describing what their friendship meant/means to us. Everyone loved Steve and I doubt we will ever get used to him being gone. He was intelligent, kind, loyal, caring and will be so missed by so many family and friends. We know he will continue to fight for the NRA and the Second Amendment from above!!

Till we meet again.
