“ *So sorry Sue will be missed dearly. It was not long ago that I came to know Sue, she was a long time friend of my mom Marlene Schroeder and she was the most Loyal, Loving friend a person could ever have. Without Sue my mom would not be here today. My mom and I will miss her, it is so sad to lose such a great and wonderful friend.*

*Love,
Scott*

“ I will miss my favorite neighbor. Walking over to talk to her in the evenings were the best times. She was fun and so caring. She always was happy when she was busy working on her yard and decorating for the holidays. Deepest sympathy to the family.

“ My thoughts and prayers go out to the family during this time of sorrow, I first met Sue when I was living next-door to her father and she would stop by and check on him. I also remember her being such a wonderful, caring, funny and seemed like a very easy going woman. She knew how to make people laugh. I'm sorry that I hadn't had a chance to be in her life recently. I had no idea she had cancer and I'm so sorry, this was so sad to hear.

“ We don't even know where to begin with memories of Aunt Sue... There are so many simple, hilarious, and great memories.. We loved and admired her humor, her strength, the meaning of family and how important it was to get together and be family... Her house was always decorated for the seasons and holidays.. She loved the "old country blue" geese, always had one sitting by the door of their old house. She made the best pumpkin rolls, although after helping with the making of said pumpkin rolls, I told her never again, we had flour and stuff everywhere.. The halloween year we all met at Irish hills for one of the "dumber" haunted drive thrus, and at the time had her "ghetto" van. We had Aunt Carol, Dad (Chris), Mom (Barb),and David with us. After we pulled onto the highway, about 1/4 mi. down she slams on the brakes, screaming, omg did you see that.. Almost wet my pants laughing at all the screaming going on in that van.. The fairs and demo derby's we went to together.. She always had good, fair advice.. I had so much fun just hanging out with her... We will deeply miss her and will always deeply love her.. May you be an angel with God Aunt Sue, don't get into too much trouble with Uncle Chuck... Til we meet again... Much love, Billy and Tara and Jessica

“ *Kathy, Chuck and Kids,
My heart hurts for you all. My deepest sympathy and prayers to you, I will be with you in my thoughts as you lay her rest. Such a nice picture of her. I'm going to miss our phone calls, her words of encouragement, the positive she could bring to a negative situation, the heart felt joy in her laughter. She certainly was a person on this earth that made it a better place to be. She was a "Rock"...one of the strongest, courageous, loving, giving people that I've ever known I feel honored and blessed to have had a friend like her in my life.
Rest easy Sue and have a wonderful new life in Heaven.*
