*I have known Sue since junior high school in Ypsilanti. I got to know her best when we were in the Drum and Bugle Corps in high school. Sue was always easy going and fun to be around. She had a great sense of humor and laughed easily. I was always in awe of her. She married the love of her life and lost him early on. She had a tough life but managed to keep going and make the best with what she had. How did she raise 4 sons and fine time to earn a living and still smile?!! Amazing woman.*

*God bless Sue and God bless her family.
