“ *Suzanne and I attended St. Theresa, I only was there from third grade to 7th, she graduated from there. This is our 6th grade class photo. My name is Mary Jane Johnston (Mares Hirschert). We were in touch on the phone but hadn't been able to see each other because of her health issues. Found out she died at the St. Theresa Reunion Sept 11th, 2022 from her sister, Bonnie.*

“ *My deepest condolences to the family. I worked with Sue at Seyburn Kahn for many years. Her energy and spirit were infectious! I remember seeing Sue walk the entire complex every day - rain or shine. Sue had a wonderful work ethic and was simply a pleasure to be around. My mother always taught me and my sisters that if your environment is not better because of your presence, you need to work harder. Seyburn Kahn was a better place because Sue was there.*

“ *Sue was my co-worker and friend. We got to know each other more closely when we worked a few desks apart at Seyburn Kahn, and I valued her experience and willingness to always be there when needed. She had a sweet spirit and independent nature, and it was always a pleasure to be in her company. My most recent memory of Sue was getting together for lunch after we had both retired and hoping we could do so more often. I am glad she was always able to live on her own terms, and I will miss her. Heaven is richer for her presence!*

“ I worked with Sue for 18 years at Seyburn Kahn and what a great co-worker she was. We shared many laughs together and I will always remember her smile, her kindness and thoughtfulness. She will be missed and my thoughts and prayers are with her family during this difficult time. May she rest in peace. Maureen Hirsch
