Terrence Anderson Gracie, 41, of Ypsilanti, Michigan passed away Saturday, July 2nd, 2022. Terry was born July 28, 1980, to Pamela Sue Tighe and the late William Harris Gracie. He was preceded in death by his father Billy Gracie. Terry excelled in sales and could sell anything to anyone. He was an avid fisherman, spending his free time finding the best fishing spots and documenting his catches. “ So sorry to hear of your passing. I know I meant a lot to you, I remember all the shanigans and shopping for Halloween costumes too! You were always laughing and joking. Always calling to check on me. You will be truly missed. It saddens me to come across your passing like this. Sending my deepest condolences to your family.

“ That's so crazy to see this obituary. I can't even begin to comprehend what I'm seeing. You were my boy... even though we lost touch for a few years. I was happy as hell a few months ago when I found your profile on a fishing app I used and I sent you a message immediately. I waited and waited for a reply and was wondering why you never got back to me. I thought about it this morning and was starting to think maybe you were just mad at me or something.... now I wish that was the case. You have been my boy for almost 30 years and it makes me profoundly sad to be writing this. You will always be in my thoughts Terrence. You were a great friend and a great person. I hope that you have found peace and that you will be up there watching over me until the day my time comes.

Love you bro. I'm truly gonna miss you

“ Terry you were my best friend on this earth. I'm so glad we reconnected and had talked every day until you passed. I will cherish our Memories living together all of last year. Cooking you dinner every night and you inhaling my pans of brownies and stealing my milk! Staying up until 2am watching UFO and paranormal shows- talking about aliens and just laughing until our stomach hurt. I will miss our serious talks too, when sometimes we both cried together and hugged it out. It still doesn't seem real to me, you're fine. Your mom and family are in my prayers Terri. Until we meet again
