“ I'm saddened to hear of his passing, My condolences to the family. I met Terry many years ago playing softball In The Ann Arbor, Ypsilanti area, we always spoke and joked during games and after, he was a funny guy. We missed him this past summer, not working our games, I figured we'd see him next year, after all this covid stuff passed, but I guess that won't happen now. Rest easy Terry, you will be missed & we'll see you on the other side my friend.

“ We always appreciated the way Terry made the effort to keep in touch with his family. He made many trips to visit Jason, Amy, and Liam, his grandson. Whether he came for a visit, to watch Liam's soccer game, or to shower the family with presents for Christmas, he brought joy to others. Dave remembers fishing with Terry, and enjoyed seeing Terry's passion about it. Our hearts go out to the whole family. We pray for comfort and healing for you now and in the coming days. “ Terry was part of our Saline Class of '70 & we've kept in touch off & on. I also played Softball back in the day & saw him umpiring in Ann Arbor many times. It seemed like he really enjoyed it. He let us know about his surgery & was kept up to date as we were praying for his complete recovery. It was sad to know of all he went through & wasn't strong enough to make it. We send our condolences & continued prayers to all your family. Alice Crisovan Wimple Class of '70

“ Rest In Peace Terry. Terry was a fellow coworker for something like two decades (maybe more) and also fellow softball player in the Ann Arbor Rec Leagues. He also umpired many a softball game that I played in as well. I enjoyed talking softball with him.
Condolences to his family.

“ My name is Daniel Williams. I run a coed softball team that plays in both Ypsilanti and Ann Arbor. Terry was the first umpire to call one of our games. For 10 years, he has been our favorite umpire to play with. Whether you liked his calls or hated it, you could still have a regular conversation with him the next week because he was just a good guy. Each year, at the start of the softball season or just before it ended, we would bring Terry a couple of chili dogs from Bill's Hot Dog stand in Ypsilanti, because we appreciated him and enjoyed him being out there with us. At the end of our last game of our very first season we played 10 years ago, our entire team signed the game ball from that night. Terry was nice enough to sign the ball as well. He will be greatly missed.
