“ Tom was a huge part of my life as a young adult, being a caring and supportive friend for many years and through many life events. Tom took me to my very first NASCAR race, supported us during the birth of our children, vacationed with us and spent countless nights just hanging out and being a great friend who was always happy to listen. I will always hold a very special spot in my heart for my Tom Knapp memories. My heart goes out to you John, Sandy and Ami, I cannot find the words to express my sorrow over your loss. May you be comforted by the light and love of God, today and in the road ahead.
