“ *A very nice guy. He was my father's former friend. Several years ago Tom and Norine helped us in getting my invalid mother, Luella (Alber) Drake, to the doctor. Many years ago, he had helped my grandfather on the farm who treated him like a family member.*

“ *I have known Tom for many years as my family lived across the road from his family . My best thoughts of Tom is his wonderful smile and kind words. It was so nice to share a few minutes with him and Norine before he left the Redis Center and went home. Prayers to his family as he will be missed.*
