“ *I met Tim when he was plant maintenance and engineering manager at the Siemens plant in Redondo. He was a man's man and a true marine. I loved his honesty, his character, his love of family, and a good time. He worked hard, played hard, and loved life. I was a great beneficiary of is wisdom and his stories. Our work relationship turned into a friendship I truly value. I admired his love for his wife, Leora, and his 'kids' both blood and those he adopted and found along the way. His generosity to those he loved was inspirational. I'll miss him*

“ I have fond memories working with Tim while he and Leora lived in Redondo Beach. He introduced me to the game of golf because the “guys” wanted to have a golf tournament and wanted some girls to play. I enjoyed our golf outings, poker nights and just working with Tim. His no nonsense manner always made me smile. He will be missed. My condolences to Leora, his daughters and grandkids. I know how much he loved his family as he spoke of them often. May he Rest In Peace.

“ Tim was a one-of-a-kind guy! He always made us feel like family and would do anything to help out. He "adopted" our daughter, Stephanie, and treated her just like his own. We will never forget his kindness. Some of the best memories are hanging out at the house, having a good time, and cheering on the Purple Poison soccer team (no matter how many times they lost!). We also thank and honor Tim for his service to our country. Lori, Deedra, and Ginny, we are so sorry for your loss but know that his memory lives on in your amazing family. We love you! “ Lori, Deedra, Ginny and family--

We know that words are inadequate at a time like this but we wanted you to know how very sorry we are for your loss.

Tim was simply a fantastic human being and it is so hard to fathom that we must now live in a world without the physical presence of such a wonderful man. But live on he will....in each and every one of you.

The Bible reminds us that "Blessed are those that mourn for they shall be comforted." The mourning will come and go as time goes by but the blessing of having shared a life with such a strong, loving and kind person will provide comfort in the days, months and years to come.

*Our love, thoughts and prayers are with all of you...

“ *Tim and Lori and I have been friends for over 25 years. So many memories to try and even sort over. We always laughed a lot, we were never afraid to cry in front of each other. We were always real with each other. We always had each others back. He will forever be missed and loved.*

“ *Years ago we were at our Aunt and Uncle's house in WV and he was talking to me like he knew me all his life. I hadn't seen him since he was very much younger. Finally I said I'm sorry but I don't know you. He laughed and said I am your cousin, Tim. I was so surprised. Sorry to hear about him being so young. Shauna (Millhouse) Biery.*
