“ Loved living in the Pi Beta Phi house with "Mrs. B" and attending UM orchestra concerts, dining out, or catching her in the hallway to chat...she always had a smile. Thanks for several fond memories!

“ As a colleague of Vera's, as well as the mother of one of her sorority women, it was a pleasure to have known someone with so much energy and zest for life. Vera was an oversized personality packaged in a petite body. Condolences to Vera's beloved family but take comfort in the fond memories of her which will live on in your hearts, as well as those of the many people she touched in her rich lifetime.
