“ *Wow. I'm sorry for your loss Call Family. Vickie was a grand light in our world as you all are! Of course, I still miss another grand light, her daughter Nancy. I'm confident they are reunited and dancing, doing yoga, and just being free. Big hugs always, Julie Hillstead.*

“ In 1966 I moved to North Granger and a block away from the Call on North Webster. Chris was a friend so I spent a lot of time at her home. She was always good natured and hospitable, never a cross word. I didn't see her as much after I moved out but whenever I did my impression was that she was as good natured as she had been when we were both younger. Such people are always missed when they are gone. Dick Alger
