“ My name is Megan, the granddaughter of Ronald Boldman. I grew up going to St. Paul every Sunday with my family and have so many memories of seeing Ginny in the hallway. She always had a smile on her face and was so kind to everyone - she also had a great sense of humor! If I recall correctly, one of her favorite ways to serve at St. Paul was to be a Greeter. Sending so much love and healing to those who loved Ginny.

“ I first met Ginny when I started to work for Michigan Bell Telephone Co in 1966. She worked on the second floor at the Maple street garage as a secretary to our upper level management. I worked quite a few years at that location and had the opportunity to speak with her many times. She always had a smile on her face and wanted to know your day was going. Just one of those great people you meet during your life.  
My thoughts and prayers to her family.
