“ Wanda was a wonderful friend to the Morris family for over 30 years. We met her in 1982 when we moved to W.McKay. She spent many holidays with our family. She loved our boys and never forgot a birthday. She was so proud of her family and talked about them constantly. She also loved her church family and was a devoted member. I will miss Wanda every day.

“ Wanda was a dear friend for over 35 years! Her love for her family, friends, church, cats, reading and the color purple will never be forgotten! I was fortunate enough to be her cat sitter for Spartan, Macintosh, Princess and Merlin. When I mowed her lawn, I could always look forward to an iced tea and good conversation. She was so proud of her son, daughter-in-law, grandsons, great grandson and her sister's family. Together, we enjoyed looking at her many pictures and reminiscing. She never forgot a birthday. I will miss my friend. It's comforting to know that she's at peace and that she's with her beloved husband, friends and pets who have gone on before her! I send my deepest sympathies to her family!

Wanda was a very good friend to my mother-in-law, Nancee Hay. Nancee passed away earlier this year. I know they will be enjoying each others company up above. They are both missed.
