“ We were lucky enough to have Bill join our coaching staff of the Ann Arbor Skyline High School Bowling program last season. Coach Bill will forever be an Eagle. He was so great with the kids and we enjoyed having his perspective and knowledge and was so grateful that he was able to share it with us. He will be greatly missed.

“ *Dear Cathe and Family,
A little over 8 years ago I moved to your neighborhood.
The day I arrived I parked at what I
THOUGHT was my home. I could not figure
out why a white Ford truck was parked in MY spot.
So I asked Whitney what was the deal.
She said, "Well, you might want to ask Bill. That's his truck."
I was two houses down!
Bill was a mighty fine gentleman and a good neighbor.
He frequently helped neighbors with snow removal, including mine,
or lent them his snow blower.
I am so sorry to learn he was sick, but am so pleased to have
known him and you.
God Bless You.

“ I first met the big guy in July 1977 and we have been like brothers ever since. We bowled on numerous leagues together, he was a fantastic bowler with those huge hands of his. I love you William and always will. The world has lost a super human being. But he will live on in my heart and memories.

Hi John P Marshall. Its been a long time.. Big Abe we called him then. He was the first person I met on the job in 1973. It was a wild ride up to 1980 when the foundry started to close. Was one awesome guy.
