September 18, 1944 - January 5, 2024

William John Tehoy III, beloved husband, father, brother, and friend, passed away peacefully on January 5, 2024, at 79. William, a man of unwavering commitment, was born in Chicago, Illinois, on September 18, 1944. He was a dedicated employee of the AATA bus company for over 20 years, serving as a bus driver. His retirement in 2007 marked the end of an era, leaving behind a legacy of hard work and dedication. Even in retirement, he remained active, pursuing hobbies like gardening, woodworking, and traveling. He was also a former founder/owner of ctrlstress LLC, a testament to his entrepreneurial spirit. William, a man of immeasurable love, earned a Bachelor of Science in Psychology from Eastern Michigan University. As a husband, he was a constant source of love, support, and strength for his wife, Pamela Ferguson Tehoy. As a father, he was a role model and a mentor to their son, Prince-William Tehoy, always encouraging him to pursue his dreams and be a kind and compassionate person. His influence on Prince-

William's life

is a testament to the profound impact he had on those around him. He is also remembered by his loved ones: his sister, Diana, and her family.

William's dedication extended beyond his work. He was a pillar of support for his family

and a loyal friend to many. As his son, Prince-William was privileged to share car rides,

explore diverse restaurants, and travel with him. He was not just a friend but an

extraordinary man who inspired Prince-William to pursue his dreams. His kindness,

devotion to his family, and the profound positive impact he had on all who knew him will

be deeply missed.

Cremation has taken place and a memorial service is being planned at a later date. To leave a memory you have of William, to sign his guestbook or for directions please visit [www.rbfhsaline.com](http://www.rbfhsaline.com).
