“ *Beth & Laurie*

*We were sadden to hear of your Dad's passing today. We worked with him at Michigan Bell Telephone and he made our days. Always upscale and laughing. Over the years we became good friends with Dorothy and Bill. I know he will be missed by your families and many friends. We will remember all the good times we had and keep your families in our thoughts and prayers.*

“ Bill, You were such a wonderful person, and I am so grateful to have known you over the years. I will miss your great sense of humor that would always make me laugh so hard. You were always such a wonderful character, and all around great person. Honestly, Beth and Laurie couldn't have asked for a better father, nor could Dorothy for a finer husband. May the love of God grant you eternal peace always. Thinking of you and your family with deepest sympathy and lots of love.

“ My sympathy to Bill's family. He was a part of my childhood that gave me many smiles. I hadn't seen him again until his sister Mary died. I wish we could have had some time to share memories.
